## Xcarrier Inbound How to Login to Honeywell Aerospace Supplier Portal (HASP)

**Honeywell**

# Honeywell Aerospace Supplier Portal (HASP)

- Go To the Honeywell Aerospace Supplier Portal URL
- [HASP.HONEYWELL.COM](http://HASP.HONEYWELL.COM)

The screenshot shows the Honeywell Aerospace Supplier Portal (HASP) login page. At the top left is the Honeywell logo, and at the top right is a link to Honeywell.com. Below this is a dark blue header with the text "Honeywell Aerospace Community Network". The main content area is white and contains a "Welcome!" message. It states that users must be registered and provides links for "VMI Portal Registration/Help" and "Part Marking Wizard Registration/Help". A warning in red text states: "Passwords are upper/lowercase sensitive. Attempting to login with the incorrect password 3 times will 'lock' your account in Honeywell's system. To avoid that please use the 'Forgot Password' option prior to trying for a third time". Below this, it notes that for internal users, the login password is synchronized with LDAP, and that Microsoft Internet Explorer Ver. 5.5 or higher is required. On the right side, there is a "Login" box with two input fields for username and password, a "Remember my login info" checkbox, and a "Forgot Password?" link. At the bottom of the page, there are links for "Terms and Conditions", "Privacy Statement", and "Contact Us".

# Register for a New Account

### Honeywell Aerospace Community Network

#### Welcome!

You must be a registered user to access this system. If you do not have a login ID and password or need help with the Portal reports, please contact us using the links below:

[VMI Portal Registration/Help.](#)

[Part Marking Wizard Registration/Help.](#)

Please provide your Name, e-mail address, contact information and a brief description of the help needed in the request.

**Passwords are upper/lowercase sensitive. Attempting to login with the incorrect password 3 times will 'lock' your account in Honeywell's system. To avoid that please use the 'Forgot Password' option prior to trying for a third time**

For Honeywell Internal Users the Login password is synchronized with LDAP password.

**You need Microsoft Internet Explorer Ver. 5.5 or higher to connect to the system.**

The screenshot shows a login form titled "Login" with a blue header. It contains two input fields for username and password. To the right of the password field is a red arrow icon. Below the fields is a checkbox labeled "Remember my login info" and a link "→ [Forgot Password?](#)".

# Login to Honeywell Aerospace Supplier Portal (HASP)

Type in your Username in the upper Textbox and your Password in the lower Textbox.

- Passwords are upper/lowercase sensitive. Attempting to login with the incorrect password 3 times will “lock” your account in Honeywell’s system. To avoid that Please use the “Forgot Password” option prior to trying for a third time.

The screenshot shows the Honeywell Aerospace Community Network login page. At the top left is the Honeywell logo, and at the top right is a link to Honeywell.com. Below the logo is a blue header bar with the text "Honeywell Aerospace Community Network". The main content area is divided into two columns. The left column contains a "Welcome!" message, instructions for new users, and links for "VMI Portal Registration/Help" and "Part Marking Wizard Registration/Help". It also includes a warning about password sensitivity and a note about LDAP synchronization for internal users. The right column contains a "Login" form with two input fields (username and password), a "Remember my login info" checkbox, and a "Forgot Password?" link. At the bottom of the page, there are links for "Terms and Conditions", "Privacy Statement", and "Contact Us".

# Forgot Password or want to Change your Password?

- Click the Forgot Password Hyperlink on the Login Page.
- Enter your User ID and email Address in the two text boxes.
- Click the e-mail new password button.
- Your password will be reset and your new password will be sent to your email address.

The screenshot shows the Honeywell Aerospace Community Network password reset interface. At the top left is the Honeywell logo, and at the top right is a link to Honeywell.com. Below the navigation bar, the page title "Honeywell Aerospace Community Network" is displayed. The main content area contains two input fields: "Enter your user ID \*" and "Enter your email address \*". Below these fields are two buttons: "E-mail new password" and "Back to main page". A note at the bottom states: "Enter your user ID and email ID maintained on our records. Your password will be reset and sent to your email ID. Note : Password Reset function is for external supplier/customer use only. Honeywell employees or individuals with EID'S should follow standard SAP password reset process."
