Complete RFQ Search

Honeywell

Log into the SCC portal to access HASP

Go to: scc.honeywell.com

1) Enter *Vendor ID*

2) Enter **Password**

3) Click **Log On**

The screenshot shows the Honeywell Supply Chain Collaboration (SCC) portal login interface. At the top, the Honeywell logo is on the left with the tagline "THE POWER OF CONNECTED", and "Supply Chain Collaboration" is on the right. The login form includes a "Honeywell ID" field with the example "haspsupplier@company.com" and a link "I need an ID". Below it is a "Password" field with masked characters and a link "Forgot Password?". There is a "Remember me" checkbox and a "Manage my account" link. A large blue "SIGN IN" button is at the bottom of the form. Below the button, it says "By Signing in, you agree to the Terms & Conditions". Three numbered callouts (1, 2, 3) point to the ID field, the password field, and the SIGN IN button respectively.

4) Click on **"I Agree"** to log on or **"I Decline"** to end log on

The screenshot shows a debarment statement box. At the top, it says "Please read Honeywell Debarment statement below:" followed by "You should accept the Honeywell Debarment statement for using this site." Below this is a text box containing the statement: "By entering this website, supplier states that neither the supplier or its principals have been debarred, suspended, or proposed for debarment by the United States Government. If supplier cannot state they meet this statement, they cannot log in and are to immediately contact their buyer." At the bottom of the box are two buttons: "I Agree" and "I Decline". A numbered callout (4) points to the "I Agree" button.

Navigate to eRFQ once logged into the portal

- 1) Click on **HASP**
- 2) Click on **Procurement**
- 3) Click on **eRFQ**
